

We are looking for the "perfect fit" for our amazing staff! We are searching for an experienced veterinary technician for an extremely fast-paced animal hospital in North Naples, FL (Animal Oasis Veterinary Hospital)! Minimum of 2 yrs experience in the veterinary industry, must have most skills needed with a very outgoing and fun personality; iv catheter placement, drawing blood, filling rx, intubating, drug calculations, monitoring surgeries, multi-tasking, etc. We are looking for a Full-time employee ready to join our family.

Please stop by Animal Oasis Veterinary Hospital with your resume, ask for Wendy, we look forward to meeting you soon! If you are unable, please email resumes to [animaloasisvethospital@gmail.com](mailto:animaloasisvethospital@gmail.com) Include your employer references contact names and phone numbers and let us know if we are able to contact your current employer.

We offer lots of benefits including but not limited to: Health Insurance for Full-Time employees, 401K, scrub allowance, Paid Time off, pet discounts for your own pets, CE allowance for conferences and much more! You will work very hard for us but you will be rewarded!
