

Cedar Bay Veterinary Clinic is seeking an experienced technician to work full time (32-40 hours/week) in a progressive, growing, small animal practice located in Winter Garden, Florida. We are looking for a credentialed CVT or CVA who has excellent people skills and loves animals. The candidate should be self-motivated and able to work individually or within the team. The technical skills required include the restraint of animals for examination, the understanding of vaccination and basic laboratory tests done in-house, IV catheter placement, blood collection from both cats and dogs, fluid therapy administration, administration of injections, anesthetic inductions, intubations, monitoring and recovery from anesthesia, the monitoring and treating of hospitalized patients, performing Companion Laser treatments, some receptionist duties, including answering the phone and the scheduling of appointments. We will support and provide opportunities for continuing education to advance your technical skills and career development.

We strive to provide the best quality of service and highest level of health care to our clients and their pets. To accomplish this as part of our team will require compassion, effective oral and written communication, a willingness to learn, attention to detail and a positive attitude.

Please submit resume and cover letter by email to holly.valentine@bellsouth.net or by fax at 407-656-0786 to the attention of Dr. Holly Valentine. To learn more about the clinic and position visit <https://cedarbayvet.com> or call 615-330-5455.
