

Essentials PetCare

Essentials PetCare is seeking a Veterinary Technician or Certified Veterinary Technician with multiple years of experience to help us provide basic, high-quality, preventative veterinary services and help ensure that all pets have access to affordable care. No emergencies, no critical cases. You'll be serving as the primary liaison between the attending veterinarian, veterinary assistant and the client for all medical care of dogs and cats in our clinic.

To make ourselves as accessible as possible to pet owners, we are open seven days a week with no appointments. That means you can choose to work with our very appreciative clients full-time or part-time, depending on your availability. You'll be obtaining vitals, doing blood draws and lab analysis, reading/interpreting microscopic cytology for skin and ear samples, taking eye pressure by tonometry, administering microchips, and updating patients' digital medical records.

We offer competitive pay and a friendly, fast-paced work environment where you'll also have to opportunity to let your people skills shine in client education, training of veterinary assistants, and staff supervision. Facility cleaning and inventory management are part of this position as well.

All pets deserve love and basic health care. Come help us make that happen at Essentials PetCare!
8701 US-19, Port Richey, FL 34668-5349, United States

Please send an email with the name of the position you are applying for in the subject line, a cover letter in the body of the email, and your resume as a PDF attachment to: jobs@EssentialsPetCare.com
