

Affiliated Veterinary Emergency Center Jacksonville, a BluePearl partner is hiring an exceptional Veterinary Technician/Assistant – Emergency

To apply go to www.bluepearljobs.com or email angela.mayne@bluepearlvet.com.

Love working in the ICU? Utilize your nursing skills to the fullest by caring for critical and non-critical surgical patients preoperatively in an ICU setting. You would be responsible for hourly patient care/treatments, placing IV catheters, running blood work, taking radiographs and administering medications. You would be required to work nights, weekends, and holidays.

The primary function of the Emergency Veterinary Technician is to be responsible for treatments of stable hospitalized patients and stable outpatient diagnostics and treatments.

- Provides nursing care to stable patients according to hospital standards of care and core values.
- Report patient signalment, problem list and plan during nursing rounds.
- Calculates basic medical math.
- Understands classification of commonly-used medications, associated side effects and appropriately monitors therapeutic response.
- Administers medications via appropriate routes and duration.
- Performs phlebotomy.
- Ability to place peripheral intravenous catheter in cephalic vein.
- Performs physical exam; accurately counts heart, pulse rate, capillary refill time, mucous membranes, temperature, respiratory rate and effort.
- Possesses a working knowledge of anesthesia/monitoring equipment and assist with patients assigned ASA I or II classifications.
- Intubates patients under the direction of a Level II technician or higher.
- Remains current on R.E.C.O.V.E.R CPR guidelines and demonstrates proficiency in designated role as assigned by attending clinician and/or supervisor.

Who are we?

BluePearl Veterinary Partners grew from the dreams of numerous veterinarians who believed pets should have access to high quality, cutting edge healthcare.

We are seeking hospital support with the same philosophy who are looking to grow their career in an exciting environment with a family atmosphere!

Your success is our success!

At BluePearl, the continued education of our techs is paramount. Not only do our techs get to work in state of the art facilities with the best veterinary teams in the nation, but they also have access 90% paid

scholarships with Penn Foster and CE allowances. We also go even further to hold monthly CE meetings, associate feedback sessions, and opportunities for mentorship and cross-training.

Additional Benefits:

BluePearl offers health benefits options, competitive compensation, flexible hours, scrub allowance, opportunity to bring your dog to work, additional training, and unlimited growth potential!
