

Longwood Veterinary Clinic (located in Central Florida)

Are you interested in working in a friendly, thriving practice? Are you compassionate and positive? Do you have a strong work ethic, the ability to multi-task, and the ability to show initiative? We may be just what you're looking for! We are a five doctor practice in Longwood and are looking for long term, full time, experienced technicians.

A minimum of two years of vet tech experience is required for this position. Duties include, but are not limited to, client education, medical record entries, laboratory procedures, venipuncture, radiology, pharmaceutical dispensing and basic animal handling (we are a fear free and feline friendly practice).

We offer a great benefit package including 401k, profit sharing, paid vacation, and discounted pet care. Our hours of operation are 7:30 am to 8:00 pm M-F, and 8:00 am to 4:00 pm on Saturday. Some weekend/holiday pet care will be required for this position. Starting pay for this position is not less than \$10.00 per hour depending on type and amount of experience.

If you are a detail oriented, high energy, outgoing, friendly person, and think you would be a great addition to our team, please send your resume and cover letter to Monica Jolin at monica@longwoodvet.com.
