

Nate's Honor Animal Rescue, a limited admission animal shelter in Bradenton, FL, is seeking a full-time Veterinary Technician (CVT preferred) to perform medical management duties based on protocols established by our partner veterinarians. Nate's Honor Animal Rescue is a dynamic organization, poised for significant growth and expansion. We currently rescue and adopt out over 2000 dogs and cats each year and plan to increase that number by 50% for dogs, and 25% for cats within the next two years. The Veterinary Technician position monitors the health of our shelter pets on a day to day basis, processes all new animals coming into the shelter, treats all animals needing veterinary care, and manages the relationships with our veterinary partners and specialists. Also responsible for keeping track of inventory and ordering supplies. Applicants must have a broad knowledge of veterinary medicine (shelter medicine preferred), have strong dog and cat handling skills, have the ability to work independently, and have strong computer skills. Knowledge of PetPoint is a plus. Must be a team player. Must be able to work at least one weekend day per week. This position offers a competitive salary and benefits.
