

Southeast Veterinary Neurology (SEVN) is opening a second neurology hospital in beautiful Boynton Beach, Florida! We are looking for highly motivated, career oriented, organized and outgoing full time Veterinary Technicians to join our growing neurology hospital!

Founded in 2010, SEVN is Southeast Florida's only hospital that *exclusively* treats medical and surgical neurologic diseases.

We offer the full spectrum of expertise from board certified neurologists, and state-of-the-art equipment to provide our patients with optimal care. Our newly built facility in Boynton Beach includes an **in-house 1.5T MRI** allowing us to diagnose and treat our patient's neurological conditions with the best equipment in the region.

Our philosophy is simple: Be there when our patients need us and treat each patient as if he or she were our own. At SEVN, we go the extra mile for our team, clients and patients. We work together to constantly improve ourselves and each other, and we put the well-being of others before our personal gain. We are available 24/7 for our patients.

We are currently hiring for several positions in our new hospital and are looking for experienced technicians to join our team in multiple capacities.

Minimum requirements include:

- **At least 5 years of experience as a Veterinary Technician preferred**
- **Certified Veterinary Technician** from an AVMA accredited program
- Experience in anesthesia and surgery preferred
- Ability to lift 50 pounds
- Must have Mac/PC skills, including MS Office applications (Word, Excel, Outlook). Experience with DVMAX veterinary software is a plus.
- Excellent oral and written English communication skills are required.

SEVN offers competitive wages based on level of experience.

SEVN offers a generous benefits package for full time employees.

SEVN is proud to offer emergency and overnight care to our patients. SEVN employees are expected to work scheduled on-call shifts as well as weekends and holidays (specific schedule is position dependent).

We are proud to be an EEO/AA employer M/F/D/V.
