

Mueller Animal Hospital is looking for a CVT /VETERINARY TECHNICIAN

We are located in 4148 east 8th ave. Hialeah, Florida 33013

2 full-time position. With competitive wages and benefits

We are a small animal 2-doctor practice with a loyal client base that makes coming to work each day worth it!

Mueller opens its doors over 70 years ago. We are a continuously growing practice that offers a variety of comprehensive services on a personal basis. We work with the community helping rescue organizations and we are one of the homes for GGARR Rottweiler Rescue. We offer and strive on Preventive Medicine, Surgeries, In house laboratory and digital x-rays, Basic Dentistry, Monitoring Anesthesia, Fluids, General Medicine for diagnostic medical problems and Geriatric Care. Services are offered on a personal care need.

Our hospital is highly collaborative. Our employees work together across departments to provide comprehensive care for our patients. Our work environment is respectful. We have open communication at all times.

EXPERIENCED REQUIRED:

The ideal candidate will be well-versed in-patient care, anesthesia, dentistry, patient restraint, and client education. Applicants must be able to work quickly and efficiently in a fast-paced environment and work well with others.

Please send resume to Sonia at soniasmueller@gmail.com
